Subject: RE: Auto Parts Indirect - FRS Data Submission

Hello Angela,

We confirm receipt of your late claim submissions. However, as you know, the claims deadline expired on June 18, 2020. For claimants who identified no vehicles or only one placeholder vehicle before the claims deadline expired, and have identified vehicles for the first time after the claims deadline expired, the submission of such claims are late and will not be allowed. Claimants who have previously submitted vehicle data and have some deficiency in the information or documentation that was submitted for those claims, may submit additional information to correct the deficiency. However, claimants who merely registered their name with no vehicle information, and did not identify the requisite vehicle information by the June 18, 2020 claims deadline have not timely submitted a valid claim, and late-filed claims will not be accepted.

Best Regards,

Jeremy Bailey
